Applicant Requirements

All qualified applicants must complete the requirements of the application process prior to proceeding to the next step. Applicant requirements include:

- Applicants must be able to meet all necessary requirements for the State of Mississippi and/or State of Tennessee certification/licensure as well as be able to maintain the essential job duties and responsibilities.
- All applicants will be required to pass a medical physical screening, laboratory test for substance abuse and alcohol, and a federal background check
- All applicants must pass the cognitive ability assessment with an 80% or higher.
- All applicants will take the Candidate Agility Test and must pass the test to proceed to the interviewing phase of the process.

I, _____, have read the application requirements and the job description for FTS Ambulance Service. I understand and agree to comply with the requirements to become a member of the service.
